FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue (DOR), Division of Motor Vehicle and Drivers Licensing (MVB)** stated they could not determine the number of US Veterans motorcycle plates that will be requested. This will have an unknown impact on their agency.

REVENUE IMPACT

The provisions of this proposal authorizes a specialized US Veterans license plate. Each applicant must pay an additional \$15 fee for the plate. This proposal will have an impact on revenue; however, because the MVB does not know the number of individuals who will apply for this special plate, the revenue increase cannot be determined. This will have an unknown revenue increase.

Officials from the **Department of Transportation (MoDOT)** stated their agency was unable to provide an estimate for this proposal, therefore they must rely upon the Department of Revenue's response.

Officials from the **Missouri State Highway Patrol** and the **Missouri Veterans Commission** anticipated no fiscal impact for this proposal.

Oversight assumes revenue from license plate fees would at least be sufficient to cover costs for producing license plates and processing applications. Oversight assumes the net impact would be less than \$100,000 in any given fiscal year. The number of license plates to be sold could not be determined by the DOR, thus the net fiscal impact of this proposal is assumed as minimal by Oversight.

<u>FISCAL IMPACT - State Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

<u>FISCAL IMPACT - Local Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

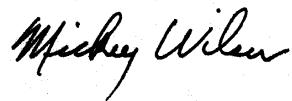

DESCRIPTION

This bill allows for a special motorcycle license plate designating "U.S. VET." Any person who served active military duty in any branch of armed forces during a period of war may apply for this special license plate. To obtain the plate, a person must make application, furnish proof of service in a foreign war, be honorably discharged, and present this proof of eligibility to the Department of Revenue along with payment of a \$15 fee in addition to the regular registration fees.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
